INTRODUCTION

Lighting is the fourth dimension of Architecture.....

With the basic philosophy of "lighting in harmony With Architecture" We at Light Vision offer a Comprehensive range of products and design support meeting the challenging need of Architectural, Exterior, Retail, Commercial, Accent & Landscape Lighting applications.

Couple with our commitment to "Quality & Customer Focus" we sincerely hope, our products would enable our clients Transform their imaginations about lighting in to reality...

We continuously strive to upgrade our exciting range & also Introduce innovative & energy efficient products, to keep in pace with the global inspiration of architectural lighting needs..

Working for the past two decades we have now grown as one among the leading suppliers of Architectural & Decorative lighting and for many years have enjoyed an unrivalled reputation in Middle East, Europe, Africa and Asia.

Our products have graced many famous hotels, palaces, malls & retail outlets throughout the Middle East, Europe, Africa and Asia, as our reputation grows so does the list of prestigious projects with which we have been involved

Our strengths have diversified into specially made Unique Customized Decorative Lighting in accordance to the designer's needs as well as into replication, restoration and refurbishment of period lighting.

We proudly highlight our Design / Manufacturing capabilities through our principals and thereby satisfying all our valuable clients with designs that compliments the style, scale, detail of location & Budget as Every project brings a new challenge.

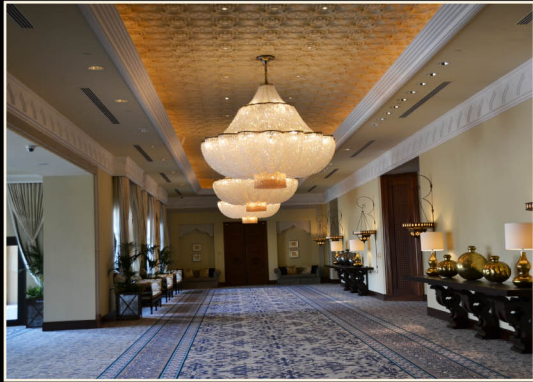

Our comprehensive capabilities enable us to work to any design and customize manufacture which is the core element of our business; we will be delighted to assist you in the design of luminaries for your specific project needs.

We also have our strong steps in Fiber Optic Lighting & LED which is now the emerging trend speaking about Energy efficiency and Environmental friendly products. External architectural Lighting such as Pole Lighting, Bollard Lighting, Landscape lighting is also a major part of our product range.
